

Community Engagement Statement

Our Commitment

We believe that care should never isolate people from their community.

Meaningful lives are built through relationships, participation and belonging.

Our homes are part of the communities in which they operate, and we actively encourage the people we support to remain connected with local life.

We Aim To

- Encourage community participation
- Support local events
- Build relationships with local organisations
- Support local businesses
- Welcome volunteers
- Build partnerships with churches, charities and community groups
- Encourage friendships
- Reduce social isolation

Working Together

We value collaborative working with:

- Families
- Commissioners
- Healthcare professionals
- Social workers
- Local authorities
- Community organisations
- Volunteers

Our Commitment

We want Horizon to be recognised as both an excellent care provider, as well as a positive and valued member of every community in which we operate.
