

Data Protection & Information Governance Statement

Our Commitment

People trust us with highly personal information.

Protecting that information is fundamental to maintaining that trust.

We are committed to handling personal information lawfully, securely and transparently.

We Will

- Comply with UK GDPR
- Comply with the Data Protection Act 2018
- Protect confidentiality
- Maintain secure electronic systems
- Train employees
- Share information appropriately
- Continuously improve cyber security

Our Commitment

Good information governance protects people's privacy while enabling excellent care.
